

### **Book in a Box Activity for Surviving Hitler**

1. Choose a container that would be appropriate for the book (oatmeal box, plastic bag, manila envelope, other ideas??)
2. Decorate your container to convey some of the major details or elements of the book.
3. Next – Place in your container the following contents:
  - a. Five questions that you would ask Jack Mandelbaum if you could meet him in person.
  - b. A sketch of one of the scenes from the book. (Don't copy an already existing illustration.)
  - c. Ten things you learned about the Holocaust from reading this book.
  - d. A Venn diagram comparing yourself to Jack.
  - e. Five things (objects) that have a connection to the book.
4. Finally – present your “Book in a \_\_\_\_\_” project to the class. Explain the connection of the container design to the book, conduct a show and tell about the five things, share other information from your container.

Be creative!
