Dear Children of the Future:

My name is Dora Edelbaum. I came to the Kansas City area in the year 1947 because my husband's sister and brother-in-law came to Kansas City after the war. We had no other immediate family to go to.

My proudest accomplishments since coming to the United States are my three children – Harold, Helen Estelle – and their families and their accomplishments.

The Midwest Center for Holocaust Education is important for Kansas City because it helps people to become aware of this terrible time in history.

From studying the Holocaust, you should learn about the horrors committed against mankind. These should never be realized again.

My message for you, our future generation, is we should treat each other as equals to preserve mankind.

Very truly,

Dora Edelbaum
